ZorroSign is the developer of the ZorroSign 4n6 (Forensics), a Document DNA and Document Forensics-based verification and authentication technology protecting user identity, electronic signatures, and digital documents against post-execution fraud and tamper.

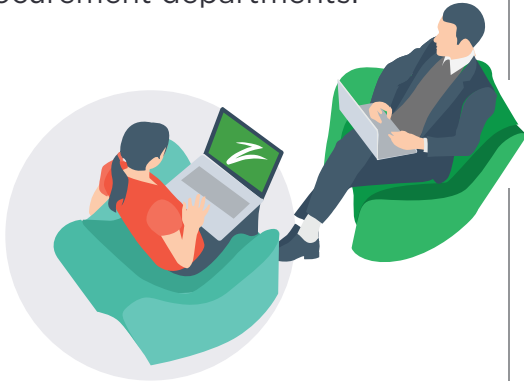

ZorroSign, Inc. is also the pioneer of electronic signature technology and the developer of the ZorroSign DTM, a unified platform, a complete Digital Transaction Management solution. ZorroSign streamlines end-to-end digital transactions with its bank-grade security and using its core technology including eSignature, enterprise-grade automation and workflows, intelligent forms, document management system, and ZorroSign 4n6 Token.

## CUSTOMERS

ZorroSign offers its Electronic Signature and Digital Transaction Management Platform to Professionals, SMB, and large corporations. ZorroSign DTM customers are in Financial Services, Real Estate, Government, Non-Profit, Insurance, Health & Life Sciences, Architecture and Design, and Legal.

Organizations use ZorroSign DTM in their legal, HR, Sales, and Procurement departments.
